

# 12<sup>th</sup> Annual OCF All Florida Poker Run 2018

It's time again to get out the cameras and take some pictures of your Oldsmobile. This Poker Run will be completed by taking photographs of your car (and maybe you and your car) at various locations. I tried to think of generic locations that can be found locally to everyone throughout the state, so that you can get your Olds out and over a couple of months take pictures at each spot. These pictures will be e-mailed to me or mailed on a photo CD and if enough participate, I'll put together a DVD slide show to share with all who participated. I can scan printed photos – so there is no excuse if you don't own a digital camera. There is no cost to participants. Everyone who participates will get the DVD and a photo collage of your collection of photos. We have only drawn the poker hand a couple times, so I won't even say we'll do it this year. .
